

Dolphin Lagoon

Set amidst lush landscaping and situated next to Underwater World Singapore, the all-new Dolphin Lagoon completes a seamless journey of discovery into the ocean's depths.

All around, flexible spaces create an airy spaciousness bathed in natural light, providing a welcoming ambience that's sure to delight. Be swept away by state-of-the-art facilities including a panoramic viewing platform designed to bring all the action closer to you. Privileged guests are also pampered in the air-conditioned comfort of Dolphin Suite, the VIP gallery, overlooking stunning crystal clear waters of the performance arena.

All throughout the day, dolphins and fur seals will charm visitors in a variety of programmes including Swim-with-the Dolphins, as well as Fur Seals LIVE! performances followed by interactive sessions. Have a splashing good time as you come up close to pink dolphins spy-hopping and tail-walking their way into your heart!
