

Swim with the Dolphins

Programme Description

Ever dreamt of swimming with a pink dolphin under the golden rays? Or experience the fun of being a dolphin trainer for a few moments? Here's your chance!

This educational cum enjoyable hands-on programme with our lovely pink dolphins will offer you a rare opportunity to learn more about our intelligent friends. Delight yourself through a close interaction with our charming pink dolphins at the Dolphin Lagoon.

These pink mammals are known as Indo-Pacific Humpbacked dolphins and are well taken care of by our team of doting marine mammal trainers in Dolphin Lagoon.

Grab this rare opportunity to learn more about these intelligent pink mammals on various aspects such as husbandry behavior and the various characteristics of these pink mammals. Under the guidance of our trainers, you can learn how to give simple hand cues and watch the dolphins perform their natural abilities such as wave their fins, balance a basketball, and even whistle! You will also get a chance to feed the dolphin too!

Participants will be required to wear life jackets throughout the programme and will not proceed into the water without close supervision of the trainer.
